LIFE-SAVING OXYGEN CONCENTRATORS DONATED BY SHV ENERGY:

The second-wave of Coronavirus pandemic has been very high in India, resulting in wide-spread infections, hospitalizations and alarming rate of fatalities. In this very difficult situation, our parent company SHV Energy, The Netherlands has shown its solidarity and social citizenry by air-lifting 150 No's of Philips oxygen concentrators from UK to India for enabling SUPERGAS Foundation (SGF) contribute to the needy COVID patients with life-support oxygen. Seamless coordination and teamwork happened between SGF, Operations and Purchase teams. Various lists of hospitals, health-care centers, NGO's were drawn across all our locations and we ensured that our oxygen concentrators reached the needy patients. Praise-worthy community purpose was forged between SGF and the local Govt.'s, Hospitals, Statutory Authorities, NGO's etc. with the active involvement of all our colleagues. The beneficiaries of the oxygen concentrators and their family members have profusely thanked SHV SUPERGAS for extending a life - saving helping hand in this pandemic situation.

Donation of Bed Spreads to Tuticorin Hospital:

SGF donated 500 No's of bed-spreads to the Govt. Thoothukudi Medical College Hospital. The bed spreads are very useful for the COVID 19 ward patients undergoing treatment in the hospital. The Resident Medical Officer of the hospital deeply appreciated the generosity of SGF in donating the bed spreads. The handing over was well coordinated by Mr. Kalidas and our Tuticorin expansion project team on 19th July 2021.

CC Cameras for road safety:

Road traffic violations, chain-snatching, hit-and-run accidents have become a menace on the Oragadam highway, near our Vadakkal Filling Plant in Chennai. To put a check on these illegal activities, the local police have requested SGF to contribute for procuring and installing CC cameras under CSR, at specific points on the Oragadam Highway. Accordingly, SGF has contributed for four artificial Intelligence CC cameras. The handing over was done by Mr. Venkatapathy and Mr. Deepak of Vadakkal Filling Plant to the Assistant Superintendent of Police Shri Dr. Karthikeyan IPS. The ASP conveyed his appreciation to SGF for the social responsibility shown and said that the CC cameras would help the police to track the violaters of law and to bring them to book.

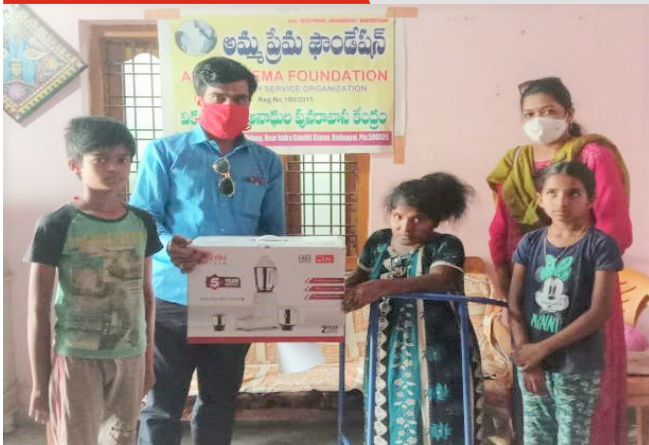

New furniture contributed to District Fire Office:

Based on the request from the District Fire Office Kanchipuram, SGF has donated brand new chairs and computer tables to the local Fire Office, for the utility and need of the fire brigade. The District Fire Officer Mr. Kumar and other officials have expressed their gratitude for the kindness shown by SGF. The event was well coordinated on 14th July 2021 by Mr. Deepak Govindarajan and Mr. Vinoth of our Vadakkal Filling Plant.

Small acts of kindness:

On behalf of SUPERGAS Foundation Mr. Rajesh Kolhe donated mixer grinder to Ammaprema Foundation at Boduppall, Hyderabad. The children and staff expressed their gratitude to SGF on receiving the mixer grinder and said that it will be very useful for them in the day-to-day utility purpose.

Education support to children:

SGF has extended financial support to the school going children of a transport driver Mr. Harshad Bhai Sarvaiya who has unfortunately passed away in a road accident. The family members of the deceased driver and also the school Principal of Vivekanand School expressed their gratefulness to SGF for the noble deed. The aid by SGF has been handed-over by Mr. Krunal Dekivadiya, Mr. Giriraj Zala and other colleagues of Filling Plant.

Caring for the aged:

SGF has contributed five beds, a dining table, N95 masks and food provisions to 'Akshaya Trust', the home for the aged and elderly citizens at Chennai. Akshaya Trust has been doing a noble service to the destitute senior citizens by taking them into its fold, giving them shelter, healthy food, medical care and most importantly love and affection. The engagement with the home has been well handled by Mr. Karikalán Prasanth from Chennai office.

Nutritious food for the children:

SGF has provided tasty and nutritious break-fast for the children of Grace Care Home, Ghaziabad. This initiative was part of the many proactive measures of SGF to include the communities in our 25 years completion of SUPERGAS in India. The children conveyed their expression of love by making catchy posters and placards. The activity was coordinated by Mrs. K.C. Mini and Mrs. Beena Kaimal.

COVID 19 Hygiene kits to community:

During the second wave of the Pandemic, SGF has graciously donated 2250 No's of COVID-19 hygiene kits to the communities around our Auto LPG Stations of South East Zone. Each kit contains 10 face-masks, hand-sanitizer, liquid hand-wash and detergent powder packets, all of them nicely placed inside a convenient pouch with SGF sticker 'Covid -19 hygiene kit'. The benevolence of SGF in trying to control the spread of COVID -19 was deeply acknowledged by one and all. The entire campaign which was done in about 5 weeks was well coordinated by Mr. Saibabu of SGF under the guidance of Mr. Sreeman Kadali.
